

Astro Carbon

I

Connubio tra il futuro e il classico.
Armonico per tutti gli ambienti.
Telaio con effetto graffite
metallizzato, unico nel suo genere.

UK

Marriage between the future and
the classic. Harmonious for all
environments.
Frame with unique metallic
graphite effect.

D

Verbindung zwischen Zukunft
und Klassiker. Harmonisch für alle
Milieus.
Gestell mit einzigartigem Metallic-
Graphit Effekt.

F

Mariage entre l'avenir et le
classique. Harmonieux pour tous
les environnements.
Armature avec effet métallique de
graphite, produit unique.

E

Connubio entre el futuro y el
clásico. Armonioso para todos los
ambientes.
Marco con efecto de grafito
metálico, único en su género.

Tech specs

Astro StarWhite / SpaceGray / Carbon

I

MOTION è una soluzione retrattile che permette di aprire o chiudere l'ombrellone vicino al palo, senza rimuovere tavoli e sedie.

La combinazione tra MOTION ed ACTION System permette di aprire o chiudere l'ombrellone in una sola operazione. Grazie alla molla a gas, che compensa il peso del ombrello, il trattamento è molto leggero.

Telaio in alluminio disponibile in versione anodizzato SpaceGray, verniciato a polveri Carbon (antracite) o la nuova finitura StarWhite, bianco opaco. Componenti e viteria in acciaio inox. Accessori in Nylon ABS.

UK

The MOTION system allows the umbrella to retract close to the pole without having to move the furniture beneath it.

Combining the MOTION system with the ACTION system allows the umbrella to open and close with one single movement. The hydraulic gas strut renders the operation very smooth and light.

Aluminium frame available in anodized version SpaceGray or Carbon (anthracite) coated or in the new version StarWhite, matt white. Components and stainless steel hardware. Accessories Nylon ABS.

D

MOTION ist eine einziehbare Lösung und erlaubt, den Sonnenschirm am Mast zu öffnen oder zu schließen, ohne Tisch und Stühle umzuräumen.

Die Kombination von MOTION und ACTION System ermöglicht das Öffnen oder Schließen des Sonnenschirms in einem Arbeitsgang. Dank der Gasfeder, die das Gewicht des Schirmes ausgleicht, ist die Handhabung sehr leicht. Gestell aus Aluminium in eloxierter Ausführung oder pulverbeschichtet Farbe SpaceGray, Carbon (Anthrazit) oder auch in der neuen Version StarWhite, matt Weiss erhältlich. Bestandteile und Schrauben aus Edelstahl. Zubehör aus ABS Nylon.

F

Le système MOTION est une solution rétractable et permet d'ouvrir ou de refermer le parasol sur le mât, sans enlever les tables et les chaises.

La combinaison du MOTION et du système ACTION permet d'ouvrir ou de fermer le parasol en une seule opération. Grâce au ressort à gaz, qui compense le poids du parasol, la manipulation est très légère. Armature disponible en version anodisé SpaceGray avec peinture en poudre couleur Carbon (anthracite) ou dans la nouvelle version StarWhite, blanc opaque. Composants et matériel en acier inoxydable. Accessoires Nylon ABS.

E

The MOTION es una solución retráctil que permite abrir y cerrar el parasol acerca del poste sin quitar mesas y sillas. La combinación entre MOTION y ACTION System permite abrir o cerrar el parasol en una única operación.

Gracias al muelle de gas, que compensa el peso de la sombrilla, el trato es muy ligero. Marco de aluminio disponible en la versión anodizado SpaceGray o pintado en polvo Carbon (antracita) o con nuevo acabado StarWhite, blanco mate. Componentes y herrajes de acero inoxidable. Accesorios en Nylon ABS.
